

## PRESS RELEASE no. 12

### Barum Czech Rally Zlín with generous financial rewards

One of the biggest innovations in the FIA European Rally Championship 2015 is a special contest for private rally crews. Eurosport Events as the series' promoter spreads financial rewards to those competitors in all ERC rounds.

Every one of ten rallies involved in the FIA ERC 2015 is covered with prize money of 20.000 Euro. This sum is at the rally end divided among seven fastest private crews according to the final overall classification.

There four basic conditions to take part in this prize money game. The crew has to be registered in the FIA ERC, there has to be used tyres from one of the ERC series' partners (Michelin, Pirelli a Yokohama), the crew must not use a car of the RRC specification and must not get any support from factory teams.
