

## PRESS RELEASE no. 33

### The top drivers along with Lappi consider the Barum Rally to be very difficult

Diversification in form of a qualification brought something new to the Barum Czech Rally Zlín 2014. The 4, 44 km long qualification took place between Pohořelice and Komárov. Third time was the one that counted. Lappi, Tarabus and Breen were the fastest ones and the difference between them was only one second.

Esapekka Lappi, leader of the European Championship and factory driver of the Škoda Motorsport team, had the best time. The position selections took place in the administration building of the Continental Barum s.r.o. The final starting order remained without any change even after the drivers' selections.

After the qualification and the position selection, we asked the top drivers of the European Championship to evaluate their starting numbers and the routes.

#### **Esapekka Lappi (FIN, Škoda Fabia S2000, st. no. 3), starting position 1:**

'We chose this number because the route seems to be very slippery and there will probably be a lot of mud and rocks.'

#### **Jaromír Tarabus (CZE, Škoda Fabia S2000, st. no. 11), starting position 2:**

'The route in the morning wasn't easy. I'm not entirely happy because we made several mistakes and almost ended up in the woods.'

#### **Craig Breen (IRL, Peugeot 208 T16, st. no. 1), starting position 3:**

'The weather and routes suit us. The conditions are similar to those in Ireland so we will go well.'

#### **Václav Pech (CZE, Mini John Cooper Works S2000, st. no. 4), starting position 4:**

'Our final time was no surprise to us. It was our intention to start from the fourth position. We have a good feeling from our car setup. So far I am extremely satisfied.'

#### **Robert Barrable (IRL, Ford Fiesta R5, st. no. 10), starting position 5:**

'The weather will be a significant factor on these hard special stages. Many things can decide the winner. Nonetheless I think the SS Pindula will be the crucial one.'

#### **Kevin Abbring (NLD, Peugeot 208 T16, st. no. 5), starting position 6:**

'We have an excellent and reliable car. Thanks to our car we achieved such final time. My driving abilities didn't play the main role. Our objection is to finish this rally and possible good result would be the icing on the cake.'

**Robert Consani (FRA, Peugeot 207 S2000, st. no. 14), starting position 9:**

**Tomáš Kostka (CZE, Ford Fiesta R5, st. no. 17), starting position 10:**

'We didn't expect to finish in the top ten after the qualification. We'll try to get better and faster.'
