

PRESS RELEASE no. 9

Thanks and information for spectators of Barum Rally

Barum Czech Rally Zlín is one of the biggest motorsport events in the Czech Republic, it's every year attended by thousands of spectators. But due to joining the prestigious FIA European Rally Championship it's not easy to secure an appropriate budget for its running. That's one of the reasons why the rally organizers have sold the tickets. Thanks to this income, spectators have become major partners of the whole rally.

Like at many other international rallies, entry to the stages of the Barum Czech Rally Zlín and other places will be charged by the organizers during the event. This income is an important part of the rally budget. The badges and tickets allow its holders to enter scrutineering, particular special stages, service park placed in the Continental Barum area in Otrokovice and during Friday 28 August also the qualifying stage and shakedown run between villages Komárov and Pohořelice. The entrance fee will not be charged at the ceremonial start and finish at Náměstí Míru square in Zlín as well as at the Super Special Stage in the streets of Zlín (the fee will be charged only in the VIP zones).
