

PRESS RELEASE no. 12

Police Service for citizens during Barum Czech Rally Zlín

Police of the Czech Republic, the Territorial department Zlín is re-establishing Service for citizens for the 46th Barum Czech Rally Zlín. From Thursday 25th to Sunday 28th August 2016, a special telephone line is available on which policemen of the Regional Police Directorate Zlín will be providing information on road closures due to Barum Rally, current traffic situation on the way to Zlín and other roads in the Zlín Region. Information on traffic will be collected by a helicopter of the Air Police Service of the Czech Republic and by police patrols across the Zlín Region.

Service is available not only for the spectators of Barum Rally heading to Special Stages, but also for citizens intending to go elsewhere. Police will offer you the most suitable diversion and give you an estimate of possible delay to your destination.
