

## PRESS RELEASE no. 17

### Police is ready to help citizens during Barum Czech Rally Zlín

Police of the Czech Republic, Territorial department Zlín, is ready to provide their services to the citizens during the 48th Barum Czech Rally Zlín. From Thursday 23th to Sunday 26th August, Police arranged a special phone line, which will be operated by policemen of the Regional Police HQ of Zlín region. The policemen will provide information about road closures, traffic in Zlín and on incoming roads to Zlín and other locations in Zlín region which could be affected by Barum rally. Police will have at their disposal a helicopter of the Police Air Service of Czech Republic and updates from police patrols of the Zlín region.

This service is not only for the spectators of Barum rally who are coming to special stages but for the citizens as well. The policemen will recommend the best road diversion of closed road and in case there is no road diversion, can estimate time of delay.

#### Phone number of special line: 974 666 555
