The organizers prepared a hygienic-epidemiological plan of measures for this important sports event in cooperation with the COVID-19 delegate and with the Zlín Region epidemiologist. An important message for the fans is that the Zlín organizers are preparing the anniversary rally with the presence of spectators at the special stages.

Spectators' participation at the special stages will be allowed in the specified numbers of visitors per sector in compliance with the existing hygienic conditions and observance of safe distances. **„Restrictions will be applied at the service park located at Continental Barum s.r.o. in Otrokovice and at organized VIP areas along the special stages. To enter these areas, a plastic armband will be required. Visitors will receive armband for free after meeting the conditions at the Accreditation sites. This armband will be valid for the entire duration of the rally, so please do not remove it from your hand until Sunday,”** said Miloslav Regner, director of Barum Czech Rally Zlín.

To enter the Barum Czech Rally Zlín service zone in Otrokovice and VIP places, it is necessary to meet one of the following conditions:

- 3) negative antigen test** (not older than 72 hours)
- 4) 180 days of immunity** - certificate from Vaccination portal (ocko.uzis.cz) or confirmation from medical practitioner of a Covid infection

If needed, Barum rally organizers will together with laboratories (Vaše laboratoře s.r.o.) provide antigen testing directly at the Accreditation places in Zlín and Otrokovice. The Zlín accreditation point (including the test centre) will be located at parking lot near the sports hall and bus station. Arrival to the parking is possible from Mostní street. All persons fill in an affidavit of infectivity there or bring their pre-filled one. The Otrokovice accreditation point (including the test centre) will be located near the service zone (OK Trans spectators' parking). All visitors of the service zone must prove themselves with one of the documents on infectivity and sign a solemn declaration in the same way as in Zlín. In terms of the Covid-19 measure, the competition teams must send to the organizer a group list of team's personnel prior to the rally.
